## CAMPS

### Tamwood Winter Teen Camp

Tamwood Winter Teen Camp is a program specially designed for young students who are interested in learning English and enjoying excursions and activities in a Canadian environment.

Tamwood Winter Teen Camp offers the same high quality instruction and organization as Tamwood's other programs. All of our English instructors are university-trained teachers who have extensive experience working with young people. Activities are led by qualified and caring staff.

Students have English lessons in the mornings and take part in different sport, social and sightseeing activities in the afternoon and evenings. Students can live with a Canadian family or in self-arranged accommodation (with their parents, relatives or friends) in Vancouver.

In 2010, Tamwood Winter Teen Camp will include in its price a spectacular trip to Whistler, the best Winter Sports resort in North America and Host City for the 2010 Winter Olympic Games. This and many more amazing activities will make this program the an unforgettable experience for all its participants.

### Vancouver

Surrounded by water on three sides and nestled alongside the Coast Mountain Range, Vancouver is home to spectacular natural scenery, a bustling metropolitan core, and boasts the mildest climate in Canada.

Majestic mountains, sparkling ocean, rainforests and hundreds of parks make Vancouver one of the most beautiful cities in the world. Canada is known for our people's friendly nature and Vancouver citizens take great pride in our welcoming, clean, safe streets day or night all year round.
