CAMPS

Los Angeles

- World famous tourist destination.
- Offers World Class entertainment, beaches, theme parks and cultural activities.

A group of approximately 20 young people, mostly teenagers, are posing for a group photo in what appears to be an airport terminal. They are standing in front of a large, green, metallic sculpture of a dragon or a mythical creature. The dragon is coiled and has its head raised. The people are dressed in casual clothing, including hoodies, t-shirts, and backpacks. Some are wearing Tamwood Camps branded items. The background shows the structural elements of the airport, including beams and lights.
